SUMMARY

Aspiring Software Developer with experience in full-stack development and app interfaces, eager to leverage skills in mobile application development to contribute to innovative projects.

EDUCATION

- ❖ **BTech, Computer Science** | Vellore Institute of Technology, Chennai **CGPA: 9.54/(Sep'22-Present)**
- ❖ **XII (CBSE)** | DAV Multipurpose Public School, Sonipat **97.4% | 2022**
- ❖ **X (CBSE)** | DAV Multipurpose Public School, Sonipat **95.8% | 2020**

EXPERIENCE

- ❖ **App Developer Intern | SpectoV Pvt. Ltd, Chennai** *(May'24-July'24)*
 - Collaborated with a team to develop SpectoV's first company app.
 - Designed and implemented features for displaying new products, company news, patent listings, and an about page.
 - Contributed to the app's architecture, coding, testing, and deployment.

SKILLS

- ❖ **Frontend:** Flutter, Dart
- ❖ **Backend:** ExpressJs, Nodejs
- ❖ **Databases:** MongoDB, Oracle SQL, Firebase
- ❖ **Languages:** C, C++, Java, Python

PERSONAL PROJECTS

- ❖ **Vidhik Sahayta (Legal Aid) | Flutter, Dart, Firebase**
 - Developed an e-marketplace connecting legal service providers (advocates, notaries, document writers) with users.
 - Integrated a chat feature for real-time communication between users and legal service providers.
 - Created a feed section to keep users informed about the latest legal updates, news, and service offerings.
- ❖ **E-Commerce App | Flutter, Mongo DB, Express Js, Node Js**
 - Developed a full-stack e-commerce application with distinct admin and customer components.
 - Implemented features for product purchase, order tracking, inventory management, and product listing.

POSITION OF RESPONSIBILITY

- ❖ **President | Newton School Coding Club, VIT Chennai** *(July'24- Present)*

Leading a dynamic team in organizing technical events, including hackathons and workshops, fostering a community of over 100+ participants.
- ❖ **Core Organizer | Solve-A-Thon' 24, VIT Chennai** *(Feb 24- Apr 24)*

Successfully coordinated the first-ever all-campus hackathon at our college, attracting nearly 800 participants. Had the opportunity to review all submissions and select teams for round 2, also securing top-tier sponsorships.

ACHIEVEMENTS AND CERTIFICATIONS

- AI-900: Microsoft Azure AI-Fundamentals
- 1st Place, AppFusion Mobile App Contest (Team of 3), Hackathon organized by SCOPE Department, VIT Chennai
